Community Room
484 S. Salina Street
Syracuse, NY 13202

- Free Testing
- Personal Stories
- Refreshments
- Entertainment
- Raffles and free give-a-ways

World AIDS Day takes place on December 1st each year. It's an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness. Despite the virus only being identified in 1984, more than 35 million people have died of HIV or AIDS, making it one of the most destructive pandemics in history.
